Subject: UPDATE - Blockade/Freedom Convoy

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Open source information states that a convoy will meet up in Comber, Ontario between 0900-1000 this morning and start heading for the Ambassador Bridge at 1000. Info also states that they will only be going to the Bridge and the Tunnel will be left open for emergencies and emergency vehicles.

Thank you,

Darrin Boismier
